2. PREAMBLE/INTRODUCTION

- a) With reference to the Constitution in particular Chapter 7 Section 152, which states:

The objects of Local Government are –

- a) “to provide democratic and accountable government for local communities;
- b) to ensure the provision of services to communities in a sustainable manner;
- c) to promote social and economic development;
- d) to promote a safe and healthy environment and
- e) to encourage the involvement of communities and community organisations in the matters of local government.”

It is essential that the Municipality should strive within its financial and administrative capacity, to achieve the objectives quoted.

- b) The Indigent Support Policy is a legal imperative, a tool designed to ensure that persons and households classified as indigent have access to basic services as defined in the Constitution of the Republic of South Africa, Act No 108 of 1996. The policy is a result of continuous prevalence of indigence and poverty within communities. This policy therefore is a tool of intervention to alleviate the plight and to encourage indigent households to live within affordable consumption levels. The Indigent Support Policy is aimed at ensuring that the State fulfil its constitutional obligation contained in the Bill of Rights. This policy must be read in conjunction with the Credit Control Policy and applicable legislative frameworks.

3. POLICY BACKGROUND

- a) In its quest to achieve a constitutional mandate the Municipality finds itself having to deliver yet other related (but not necessarily constitutional per se) services and objectives. Amongst those is the issue of indigents and how they have to be catered for within the spirit of co-operative governance.
- b) Due to the high level of unemployment and consequent poverty in the municipality, there are households which are unable to pay the normal tariffs

for municipal services. The municipality accordingly adopts this Indigent Management Policy to ensure that these households have access to at least basic municipal services and is guided in the formulation of this policy by the national government's policy in this regard.

- c) The Council recognises its Constitutional obligation to give priority to the basic needs of the community, to promote the social and economic development of the community and to ensure that all residents and communities in the municipality have access at least to a basic level of municipal services.
- d) The Constitution entitles the municipality to an equitable share of nationally raised revenue, which will enable it to provide basic levels of essential services to the community and the Council commits its equitable share to the provision of basic services.

4. THE POLICY OBJECTIVES

The objective of this policy will be to ensure the following:

- a) The provision of basic services to the community in a sustainable manner within the financial and administrative capacity of the Council.
- b) Establish the framework for the identification and management of indigent households including an economic rehabilitation plan.
- c) The provision of procedures and guidelines for the subsidisation of basic charges to indigent households.

and other applicable legislation, amongst others, the Promotion of Administrative Justice Act, 2000 (Act No. 3 of 2000) which provides that everybody has a right to administrative justice that is lawful, reasonable and procedurally fair.

- (ii) relief must be provided by the **JOE MOROLONG** Municipality to registered residential consumers of services who are indigent.
- (iii) Council must, wherever possible, ensure that any relief is in accordance with the Constitution and is cost effective, sustainable, practical, fair, equitable and justifiable.
- (iv) the subsidising of minimum service levels should not result in the creation of a massive bureaucratic administration that would not be cost effective to implement.
- (v) differentiation must be made between those households who cannot afford to pay for basic services and those who do not want to pay for these services.
- (vi) other municipal services in addition to free basic services should, where possible, be affordable and beneficial to the indigents.
- (vii) the relief should be valid for a maximum period of 24 months, with an exception to unavoidable circumstances that may lead to an extended period
- (viii) the Council may review and amend the qualification criteria for indigent support.
- (ix) the joint gross income of all the household occupants will be taken into account in determining the validity of indigent support application.
