## TWO DAY CAREER EXPO SESSION HELD AT THABO MOOROSI MULTI-PURPOSE CENTRE

**Thabo Moorosi Multi-Purpose Centre in Mothibistad is hosting over 1800 learners from high schools in the John Taolo Gaetsewe District. The two day career expo session sees over 30 exhibitors under one roof, funded by the John Taolo Gaetsewe Developmental Trust and Assmang Mines.**

**We are seeing an increase in the number of students who are dropping out of high school for a plethora of reasons. The perceived lack of post schooling opportunities being one of them. This initiative aims to mitigate that trend by equipping youth from disadvantaged areas with the knowledge of the infinite opportunities they can access to achieve their dreams.**
