MEETING WITH TRADITIONAL LEADERS AND LOCAL WARD COMMITTEE IN GLENRED (WARD 10)

The Northern Cape Health MEC, Mr Lekwene convened a follow-up meeting with various key stakeholders in Glenred, to appraise them on significant progress made to construct a new health facility in the area.

The delegation received a detailed report of the project led by IDT and that amended plans are being finalised and adjusted costing will result in urgent continuation of this project in due course.

TWO DAY CAREER EXPO SESSION HELD AT THABO MOOROSI MULTI-PURPOSE

Thabo Moorosi Multi-Purpose Centre in Mothibistad hosted over 1800 learners from high schools in the John Taolo Gaetsewe District. The two day career expo session sees over 30 exhibitors under one roof, funded by the John Taolo Gaetsewe Developmental Trust and Assmang Mines.

We are seeing an increase in the number of students who are dropping out of high school for a plethora of reasons. The perceived lack of post schooling opportunities being one of them. This initiative aims to mitigate that trend by equipping youth from disadvantaged areas with the knowledge of the infinite opportunities they can access to achieve their dreams.

“DRAFT IDP & BUDGET MEETINGS”

The purpose of the meetings is to present the draft Intergrated Development Plan (IDP) and Budget for 2023/24 Financial year to the communities and allow community members to make inputs for the consolidation of the final document before the adoption of Council.
