## DEPARTMENTAL SERVICE FAIR HELD IN CHURCHILL

The Department of Agriculture, Environmental Affairs, Rural Development, and Land Reform hosted an extraordinary service fair in Churchill, Kuruman - JTG. MEC Manopole and her departmental officials engaged in social impact and public service to connect with the Churchill community. In attendance was the Acting Mayor; Naomi Mokweni, Tribal Chiefs and leaders of the Joe Morolong Municipality.

The event showcased a diverse range of services and initiatives, providing a platform for local businesses and organizations to highlight their contributions to the community.

MEC Manopole delivered an inspiring speech, emphasizing the benefits and opportunities the fair brings, "Today's display and exhibition demonstrate that you are active, key in the sector and humanity relies on you as you contribute greatly to food security in this country. I am elated to be part of this new wave, new model and new way of serving our people. Let's continue to expand this vision to all other areas and Districts of our Province we owe it to our people." Said MEC.

The event fostered collaboration, partnerships, and economic growth for SMME's and stakeholders; all aligned with the theme of "Growing a modern, successful province through integrated services."
