Joe Morolong Local Municipality

@joemorolong

The official hand over of the Culvert Bridge to the community of Gasese and Mokalawanoga villages.

A brief community meeting was held in Gasese , led by the leadership of the Municipality, Assmang Manganese Black Rock Mine Operations Management, NUM, Solidarity and Traditional representatives and this followed by the cutting of the ribbon at the bridge.

The Gasese and Mokalawanoga Culvert Bridge is a major Social Labour project with an estimate cost over R9 Million.
