THE STATE OF THE NATION ADDRESS

The State of the Nation Address was held on Thursday, 09th February 2023.

In this year, the President reflected on the Nation's most pressing challenges over the past year and its impact on lives and livelihoods of South Africans.

Prioritized as the most important issues to address included:-

- The disastrous effects of state capture.
- Load- Shedding.
- The scourge of Gender Based Violence and Femicide.
- The High Cost of Living, stubborn unemployment levels and devastating floods that have been felt across the country.

#LeaveNoOneBehind

Corruption undermines the rule of law, erodes public trust in government and diverts resources away from essential services such as #education #healthcare and #infrastructure. By reporting #corruption, you can help to expose corrupt practices and promote accountability.
