CAMDEN WATER SUPPLY SYSTEM: BOIL WATER NOTICE IS RESCINDED

Joe Morolong Local Municipality (JMLM)

Date of Issue: 03 March 2026

Time: 09:00 am

Area Affected: Camden Supply System

The JMLM is pleased to advise the community of Camden that the Boil Order Advisory Notice issued on 25 February 2026 has been lifted, effective immediately. Bacteriological samples collected for Camden Boreholes have been analysed and indicate that the water is free of E. coli and is **SAFE** to drink and use for all purposes. It is no longer necessary to boil your water.

PLEASE FOLLOW THESE STEPS BEFORE DRINKING:

1. Run cold water taps for 3-5 minutes to flush the pipes.
2. Throw away any ice made during the boil order.
3. If you use under-sink or refrigerator water filters, consider replacing the filter cartridge.

We apologize for the inconvenience caused and thank you for your patience while we worked to ensure your safety.

For more information, please contact Acting Director Technical Services: Ms. J. Tsatsimpe at 0670892663
