Womens Month Outreach Programmes

The water supply project is the Joe Morolong Social Labour Project (SLP) in partnership with the United Manganese of Kalahari (UMK) valued at about R12 million which created jobs for local people in the area and provides access to clean drinking water.

The Mayor of Joe Morolong Local Municipality highlighted the challenge of water in the communities of Joe Morolong that needs to be prioritized.

Thanking Mr Bhengu and his team, the Mayor emphasized the importance of working together as partners to better the lives of the communities. "Working together we believe we will change the lives of the Joe Morolong communities"
